IMPACT REPORT  
2025

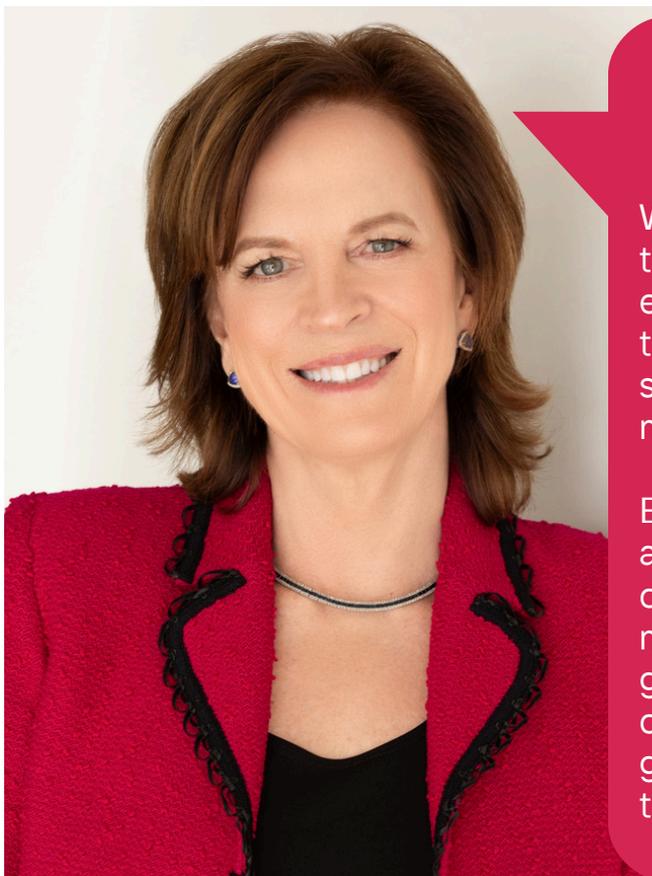

## OUR MISSION

Kinsella Angels supports youth in need with leadership and educational opportunities while decreasing social isolation in the elderly.

"BRIDGING GENERATIONS THROUGH EDUCATION AND COMPANIONSHIP."

# MESSAGE FROM OUR HEARTS

## Maureen Pechacek

Founder/CEO/Board Member

When Kinsella Angels began, the intention was simple: to support youth in need with leadership and educational opportunities while reducing loneliness in the elderly. What has grown from that vision is something far deeper—friendships, confidence, and meaningful connection across generations.

Because of you, young people are finding direction and opportunity, and seniors are experiencing companionship and belonging. Every donor, volunteer, mentor, family, student, and elder is part of this. Your generosity changes lives on both sides of the connection. Thank you for your support and generosity. Together, we are building something that truly matters.

## Dena Anderson

Director of Operations

This year we celebrated growth and resilience while navigating real challenges alongside our scholars and families. Through it all, one truth remained clear: community changes lives.

Built on the generosity of donors, the dedication of volunteers, the commitment of mentors, and the trust of families and students, your belief fuels every connection made and every life impacted.

Thank you for standing with us—through the wins, the challenges, and everything in between. Together, we are building brighter futures, one scholar at a time.
