

Community Connections

Kinsella Angels supports youth in need with leadership and educational opportunities while decreasing social isolation in the elderly.

Jj (Dena's son), Dena (Director) & Zion (Dena's daughter)

Scarlet (Scholar graduate)

Sofia (Scholar graduate)

Director's Note

I'm Dena Anderson, Director of Kinsella Angels. Your support has given us the ability to set an example for the next generation encouraging scholars to volunteer affecting their personal growth and adding value to our community. We are deeply grateful for the support. Your generosity has been crucial to our success and impact.

We currently have several dedicated scholars and volunteers who work tirelessly to support our mission. Their commitment truly embodies our organization's spirit.

Our November 2023 fundraiser was a huge success, raising \$62,000 and surpassing our goal. Your donations are transforming lives. Activities like InterGenerational Socials and other events have been a blessing for everyone involved.

We continue to engage with our scholars and seniors through social hours, leadership conferences and workshops, planning meetings, and mentorship.

Mentoring youth and encouraging them to volunteer with seniors has been highly rewarding, reducing seniors' social isolation and providing them with assistance.

If you're interested in mentoring, volunteering or need assistance, please contact us via email or call (612) 801-9160. We appreciate your support, encouragement & donations.

Congratulations Graduates!

We are overjoyed to celebrate Scarlet & Sofia, our 2024 high school graduates, whose hard work and dedication have led them to this proud moment. The graduation ceremony was filled with family and friends, their faces beaming with joy and excitement.

As Scarlet and Sofia received their diplomas, they were handed keys to futures filled with endless opportunities. The speakers urged them to stay curious, compassionate, and resilient. We are incredibly proud of these young ladies and their determination to make a positive impact.

The atmosphere was a mix of nostalgia and hope as Kinsella Angels staff and mentors watched proudly, knowing they had contributed to shaping these bright minds. This is just the beginning of their incredible journeys. They are ready to face challenges and seize opportunities ahead. Scarlet will study business at Loyola Marymount University, and Sofia will study political science at Kentucky University. Congratulations Scarlet & Sofia, we are so excited for you!

Our Heros: Volunteers/Mentors

We are delighted to highlight Joey, a dedicated volunteer and mentor whose journey has been anything but ordinary. From health and wellness advocacy and leadership studies to coaching youth flag football, Joey has been making a difference in various community arenas for years, and we are so blessed to have him as part of Kinsella Angels.

Joey's unique upbringing in Saudi Arabia ignited a lifelong love for travel and cultural understanding, enriched by his Thai heritage and the vibrant flavors of Southeast Asia. Nowadays, he navigates the streets of Las Vegas as a driver, turning every ride into a learning experience.

Volunteers like Joey are the unsung champions who dedicate their time and energy to make a difference in the lives of others. Their selfless commitment and unwavering support create ripples of positive change that extend far beyond the immediate impact of their actions.

Let's celebrate Joey and all of our volunteers and acknowledge their contributions. We know that each act of kindness adds to the tapestry of a better, more compassionate world. Thank you!

Not Your Average Board: Champions of Mentorship and Community Engagement

Kinsella Angels is profoundly grateful for the invaluable contributions of its extraordinary board members. Their unique perspectives and out-of-the-box thinking breathe life into our organization, enriching every facet of our mission. Their active involvement in mentoring scholars within our program not only empowers the next generation but also fosters a culture of support and growth. From attending events, including our InterGenerational Socials, to offering their time, wisdom, and resources tirelessly, these dedicated individuals exemplify the spirit of service and commitment. They deeply believe in and support our mission. Their unwavering dedication ensures that Kinsella Angels continues to thrive and make a meaningful impact in the community. We are fortunate to have these hard working individuals guiding and shaping our organization's journey.

InterGenerational Socials

Our visits to the Red Rock Pointe Retirement Community have become a treasured aspect of our InterGenerational Socials. Participating in board games, card games, and arts and crafts with the residents has been immensely enjoyable and profoundly enriching for everyone involved. The warmth and wisdom shared by seniors have imparted invaluable life lessons and countless heartwarming stories. Their generous welcome has forged a beautiful bond that bridges generations. We recently introduced a "Tech Table" and a "Craft Table" to add some variety. At the Tech Table, senior residents can seek help from the youth with their phones, tablets, or computers. This has already proven very helpful, as young people tend to quickly grasp new technology. Crafts have been a great alternative as well for those not interested in games. We not only have our seniors and scholars but mentors and their family members are invited. The mutual benefits of this quality time spent together are truly priceless.
