

Community Connections

Kinsella Angels supports youth in need with leadership and educational opportunities while decreasing social isolation in the elderly.

DENA ANDERSON (DIRECTOR)

ALEXIS (MENTEE)

RINIYAH (MENTEE)

Welcome!

Hello! I'm Dena Anderson, Director of Kinsella Angels. Welcome to our inaugural newsletter. I am proud to announce that Kinsella Angels Foundation is celebrating our first year in service to youth and seniors. We have taken bold steps toward reaching our goals and improving the lives of those we touch. We have enriched the lives of our scholars through weekly one-on-one interaction, social outings, academic counseling and career guidance. Our two prong approach of mentoring youth and in turn encouraging these young people to give back by volunteering their time to senior citizens has proven to be both rewarding and effective. Seniors who often face social isolation and lack the physical or financial ability to perform many everyday tasks enjoy interaction with our young people. This a win-win, which solidifies the core mission of our foundation.

If you are interested in mentoring a youth, volunteering with a senior, or if you are a senior who is in need of companionship or other assistance, please call me at (612) 801-9160. - with gratitude Dena Anderson

EMPOWERING MINDS: EDUCATIONAL UPDATES FROM OUR SCHOLARS

We are so proud to announce that we have officially accepted 6 scholars into the Kinsella Angels program and that each of them have finished the school year strong. All of our scholars have made the decision to attend one of our partners, Choice Center Teen Leadership Program. This program "is a dynamic motivational and leadership workshop for teens between the ages of 13 and 17 who have a sincere commitment to create extraordinary results in their lives.

The course gives teenagers the opportunity to discover and redesign the limiting beliefs they have about themselves and others. It's these self-imposed limitations that keep them from fully achieving their maximum capabilities.

This redesign allows them to pursue their dreams and goals with new freedom and passion, and to create a solid foundation of powerful tools to use the rest of their lives in relationships, conflict management, and self discipline."

We are so excited that 100% of our scholars have made the courageous step to better their lives by participating in this powerful workshop.

Dragon Kim Fellowship

Two of our amazing scholars have taken on another tenacious level of leadership this year by applying for & getting accepted into the Dragon Kim Fellowship (DKF). DKF is a social entrepreneurship incubator for students grades 9-12 that allows students to create a service project idea and are supplied with a mentor, support, leadership training, and up to \$5000 to execute their community service project.

Hannah (left) & Sofia (right) are so excited for this opportunity of a lifetime and we are too! Kinsella Angels mentors and staff have helped guide these amazing young leaders to pursue this dream & will continue to support them as they carry out their projects!

Senior Spotlight

LEFT TO RIGHT: HANNAH & GINA

We have connected our scholars with senior citizens and the friendship that is being formed is a joy to both the senior and scholar. Scholars help with chores around the home as well as other things. Examples include helping plan a trip overseas, walking dogs, and baking together.

Gina is one of our rock star seniors who is a retired lawyer and has been able to share her personal and professional experiences with Hannah. Gina and Hannah have enjoyed going on walks and baking cookies together.

If you are a senior citizen or know of one who would love to be connected to a young person through services and companionship and would love to share your wisdom of a lifetime, please contact us!

If you would like to support us, donations are accepted via our Link below or the QR Code to the left.
